C.V. Gopinath who conducts workshops to impart Value Education to teachers and students, teaches Ethics and Morality to civil service aspirants, is a rare personality in traditional knowledge of ancient Vedic scriptures and has been putting continuous efforts to sustain our great heritage. Apart from the authoritative excellent discourses on

His works on Indian heritage through documentary films like Kailas Manasarovara, Amarnath, Cosmic Rhythms in Divine abodes, Shruti Smriti and Ksheer Bhawani make Gopinath a versatile genius. He is well known among children as GURU who teaches recitations from the Gita and he taught the essence of Vedas to the Bureaucrats, who walked alongside him in Lodi Gardens, New Delhi for thirty long years. He is the Pundit who interprets scriptures on the spiritual platforms in esteemed institutions like Ramakrishna Mission, Chinmaya Mission, Ramana Kendra and Bhartiya Vidya Bhawan. His profundity of scriptural knowledge that links to identify common message in Christianity, Sikhism, Jainism and Islam vis a vis Hinduism makes Gopinath a secularist to the core. He has received awards both at national and international levels. Bestowed with University degrees in Science, in Engineering and post-graduation in Business Management, he is a Management Guru to espouse Managerial ethos. The Live performances that give him distinct niche as an icon. All the above great achievements of Sri Gopinath pale into insignificance when compared to the live performances that Sri Gopinath gives specially on the subject of HIMALAYAS IN VEDIC CONCEPTS when he casts his spell on the audience in the 120 minute audio-visual shows. He has presented over 3000 shows in our country, but even in foreign lands like Abudabhi, Bahrain, Mauritius, United Kingdom, Israel, Srilanka, Singapore, USA, China and Nepal. They are not just shows. The audience sit spell bound and, in the end, it takes a while before the audience descend on Earth and give him a standing ovation. Thus spoke the Eminent personalities on his Himalayan shows: He weaves a tapestry of ethereal beauty and embraces his audience in the eternal spirit of India. At every step in the Audio-Visual pilgrimage with Shri C.V. Gopinath, we find the truth, the good, the beautiful and the splendor created by the Man and Nature. The Audio visual presentation of C.V. Gopinath is somewhat like Nehru's Discovery of India: Late Dr.L.M. Singhvi, Former Indian High Commissioner to U.K. Shri C.V. Gopinath, with his erudite scholarship and devotion to revive roots of our great cultural heritage is a natural cultural Ambassador of Karnataka : T.N.Chaturvedi, Governor, Karnataka.
